Dear Clare

Congratulations on your recent success in SSAT's Educational Outcomes Awards.

Your school was in the top 20% of non-selective schools nationally for attainment and the top 10% for progress in the 2016 end of KS4 examinations. This is based on your students' best 8 average point scores at key stage 4. Your third award recognises your success in achieving high levels of performance for your students eligible for the pupil premium.

Please find enclosed your official **Educational Outcomes Award certificate** for you to display in your school.

Educational Outcomes is part of your membership and combines the latest statistics from official DfE and Ofsted sources into one easily searchable database. You can access the database and compare your performance with schools locally and nationally by visiting **the Exchange**, our member website: **ssatuk.co.uk/the-exchange/edu-outcomes-database**. If you have any problems logging on, please get in touch.

If you have a story to share with the network or if you would like support for your school, I would love to hear from you.

With best wishes,
