Feversham Education Trust is an established Multi Academy Trust set up to sponsor schools of Faith and those with none. The Trust currently comprises of one outstanding secondary Muslim girls school (11-18), a joint venture teaching school, an early years nursery provision and the Trust is in the process of accepting a sponsored mixed secondary school (11-18) that will be completed by September 2016.

Our mission is simple:

'To provide the best quality of education for all our learners within a secure learning environment'

The Trust is proposing to establish an 11-18 Free School, to be called Bradford Girls Academy (BGA). The Trust chose the name (BGA) to show representation of the Bradford district and to show a clear distinction of the Faith ethos currently offered at Feversham College and that this will **not be** replicated at BGA.

The plans assume that, if approval is given, a new 11-18 secondary school will open its doors in September 2018 and admit 120 pupils to year 7 (i.e. any girl who will be 11 years of age). Evidential research confirms that girls taught in a single gender environment out perform those taught in co-educational settings.

BGA will focus on high quality education providing girls with the qualifications, attitudes and values required to progress into higher education, training and employment.

BGA Core values will be:

- * Respect and tolerance
- * Care for our environment
- * Promote British Values
- * Character building
- * Outstanding outcomes for all
- * Excellence in all we do
- * Equality and fairness
- * Responsible and accountable
- * Honest and Reliable

We will use established experience and expertise already within the Trust in developing the Education Plan for BGA and ensure through high quality recruitment and professional development of staff, BGA is an outstanding Free School.

Key features of BGA

- * BGA will serve the needs of girls from this disadvantaged Bradford community through provision of outstanding education with a focus on STEM, facilitated by a progressive approach to teaching and learning.
- * Will follow the new National Curriculum with a focus on Science (separate sciences at KS4 and KS5 will help more females into science, technology, engineering and mathematics (STEM) specialist areas).
- * Inspiration to achieve aspirations and improve life chances through progression into HE and professional, managerial or technical employment in a range of employment sectors.

BGA learners will:

- ✿ Exceed local and national averages in terms of pupil progress and attainment measures.
- ✿ Follow a broad and balanced curriculum offering GCSE, A Level and Vocational examinations.
- ✿ Attend an outstanding school where achievement is high as a result of outstanding teaching and learning.
- ✿ Achieve attainment and progress that exceed national averages.
- ✿ Have improved life chances with high retention and progression into education, employment or training at Year 11 and Year 13.
- ✿ Make a positive contribution to the community and wider society.
- ✿ Demonstrate exemplary behaviour, personal safety and well-being at all times.

BGA will seek to fulfil the above through:

- ✿ Setting high expectations of pupils in standards of achievement, behaviour and school attendance.
- ✿ Setting standards of excellence in teaching and learning.
- ✿ Fostering a caring and supportive environment for pupils to develop spiritually, morally, academically and socially.
- ✿ Providing an environment that offers equality of opportunity to all.
- ✿ Having aspirations for all learners to continue further study or pursue career ambitions at the age of 18 or 19.
- ✿ Creating an awareness, commitment and sense of responsibility amongst pupils with regards to local, national and global issues.

Pupils only get one chance; it is vital we provide an outstanding quality of education.

We are inviting prospective parents to complete an expression of interest form and return it to Feversham Education Trust. Please read through the important information about the school contained in this leaflet. If you have any questions, please get in touch by calling 01274 5595005.

By completing the expression of interest form, you are demonstrating a firm intent to send your daughter/s to the new free school. You will be added to the waiting list and a detailed application form will be sent to you nearer the time.

Please note that you are not guaranteed a place by completing the expression of interest form.

Only your postcode will be submitted to the DfE

Expression of Interest
Bradford Girls Academy

Please tick all that applies

- I support the school's values and mission
- I welcome the proposal to provide more choices for parents
- I would seriously consider choosing this school as the first choice for my child/children
- I would like to be kept informed of the development of this school
